

MAY 2022

## DEAR PRAYING FRIENDS,

As Hallie and I wrapped up our last month of work, we almost couldn't believe how God had blessed us over the last year! May was the month of our one-year anniversary, the last month of interning and teaching, and a busy travel month as well. We visited seven churches and could not have done it without God's strength! We are praising Him.

Hallie and I have prayed frequently for the salvation of her students. As the year came to an end, we assumed that her gospel influence on them would not bear fruit, but God was working out His redemptive plan. On the second-to-the-last day of school, one of Hallie's students approached her at the desk before the teaching day had begun and said that he needed to be saved! God was working on his heart, and he knew it was time to put his faith in Christ. She took him into the hall and led him to Christ! A little while later during their prayer request time, another boy asked for prayer that he would be saved! Our pastor led him to Christ shortly after. I loved seeing this story play out as Hallie positioned herself to be used by God! God did the work. We are just thankful to be a part of His plan. For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: not of works, lest any man should boast. -Ephesians 2:8-9

In August, Hallie and I set a goal to be at 30% support by the end of May to roughly cover our travel costs when we began full-time deputation. We did some quick math and were convinced that it was impossible to reach that percentage in such a short time. But God gave us 41%! We were not able to raise this amount in our strength, but God was able to provide it for us. We are so thankful for His provision.

Now that Hallie has completed her full-time teaching position, we will be traveling full time for deputation. This is shaping up to keep us on the road for around 25/30 days per month! Our calendar is well developed through the end of November, and we are starting to fill in the year 2023. Please continue to pray that we can leave for Santiago in June of 2023. Lord willing, we will be fully funded by then.

IN CHRIST,
