

Templetons To Peru

Dear friends in Christ,

July, 2019

Things happened fast after we returned from our trip to the U.S. and Canada. We immediately celebrated our 8th year church anniversary. We had about 200 people present at our banquet on Saturday night. On Sunday night, we baptized three new converts.

I had been witnessing to Abraham and Jenny for months. While we were away traveling they and their daughter, Jennifer were saved. This made our hearts rejoice. They were finally able to understand that we are saved by God's grace and not by our own good works. So it was a joy to baptize them on our first Sunday back in Peru.

Miguel Angel also made a profession of faith along with his wife, Karla. He has continued on for the Lord, but Karla shows no spiritual interest now. From outward appearances, her conversion was not true. We want to talk to her and see if we can help her. You can pray for this couple.

As a church family, we also had to go through another grievous experience. One of our young ladies was disciplined out of the church for a various number of sins that she continually practiced. This is always painful and sad for our entire congregation. We don't make these decisions quickly and we certainly don't take them lightly. It is our prayer that we will see her repent and gain victory in her life. She has a good attitude toward her pastors and all the church members. This is a good sign.

The Lurin church to the south of Lima celebrated their 9th anniversary. A long time has transpired since we started the church. Pastor Javier Huamán is the pastor and he does a great job. He and his wife were two of my students when I was a professor in the Seminary in Trujillo. Now we are in the ministry together.

Maribel is another lady who was recently saved. Her husband is Walter. He has begun to attend our services and his heart seems tender to spiritual matters. Please pray for his salvation. I would guess Walter and Maribel are in their 40's.

We are doing some repairs and improvements on our camp about 2 ½ hours outside of Lima. It needs a lot of work. Our missionary colleagues, David and Tiffany Deighton, will be moving out to camp to take on this ministry. Pray that we can revive it and get more campers to attend. We want to reach the next generation for Christ.

We want to extend an invitation to all our churches who are interested in sending a group to work on a project on the mission field. We could use your help and it would be great to have you. Without a doubt you would be a big blessing and help.

For Christ's glory,
Stanley and Ruth Templeton
