Dear Friends and Supporters:

March 8, 2022

In Acts 26:18, the Lord shares His desire for reaching the lost. He wants *"[t]o open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me"* (Acts 26:16). Each of us can be a part of this glorious endeavor as we yield ourselves to Him and allow Him to work through us. What a privilege it is to see the Gospel going forward! In February, *"The Gospel Film"* reached souls in Argentina, Venezuela, Kenya, South Sudan, Uganda, Croatia, Russia, and Ukraine. It came across the feed of **10,311,102 people** on social media with **9,099,658** views. There were **12,022** shares, and **335 individuals** who contacted us, testifying they trusted Christ as their personal Saviour! **108 people** requested more information for spiritual growth. Incredibly, souls were also saved in the Philippines, Honduras, Uruguay, and Columbia by watching the video through Facebook shares!

By mid-February, the Lord opened a door for us to be able to get *"The Gospel Film"* translated and overdubbed into both Russian and Ukrainian. At the beginning of the campaign in Ukraine as things were escalating in the country, most comments we received were vulgar and blasphemous. But as the war broke out, God was at work, seeking to push against the spiritual darkness! Soon, multiple comments like *"Thank you"*, *"These words touch my very heart"*, *"God, please have mercy on us sinners"*, *"Lord, forgive me of my sins"*, and *"Amen"* flooded in. Within a week and a half, the film had reached at least 17% of the nation's entire population.

Here are some of the testimonies we received from those who were saved (everything has been translated from Ukrainian): *"The Gospel is the best thing that has ever happened in my life!!"* *"So I prayed, thank you! great movie, the whole point in a short video and so clear!"* *"I watched and prayed and believed on Jesus! Thank you!"* *"I was saved. Thanks. I distributed to my family and friends!"* I looked at her account and noticed that she publicly wrote on her profile with the Ukrainian video attached: *"If you were to ask me which movie is the best to watch, I would advise only this movie. At this time we really need hope, and I want to advise you our hope is only Jesus!"* Another individual wrote: *"The film was taken seriously. I prayed to God and ask forgiveness for my sins and believe that Jesus died for my sins so that I do not perish, but have eternal life with the Lord !!! It is good that there are such films for the salvation of human souls."* I corresponded with one individual who wrote back, *"I did not pray. Why should I ask Jesus to be my Savior?"* I then proceeded to explain the need for Christ and encouraged them to watch the film through. I heard back from him the next day: *"It is very nice that you wrote this to me. So I accepted him as my Savior. I watched movies a lot of times before, but that is what is missing!"*

It is absolutely thrilling to read the testimonies that folks give as they write to us. Here are a few more from Venezuela where **890,000** people were touched with *"The Gospel Film"* in Spanish. *"Thank you for this word, I feel so light now, I have accepted Jesus as my savior. May God be with us all."* *"This clip came in the right time when I was depressed and wanted to commit suicide. I saw it and indeed it was a life saver at that moment."* *"I am a Christian but I projected it in a locality that we are evangelizing and many accepted Christ as their savior."* I spoke with this individual on WhatsApp, and he shared that he showed the film publicly in a service at their church and folks were saved!

A couple Sundays ago, I received a photo from a missionary friend of mine in Ghana, West Africa. He said, *"Just had a 25-year-old named Emmanuel get saved. I have been over the gospel with him for a month. Today, I showed him 'The Gospel Film' and he got it.... Hallelujah! He got saved!"*

There are so many other stories that could be shared. Thank you so much for your faithful prayers and financial support. Everything received is being used toward the furtherance of the Gospel message and bringing people hope in Jesus Christ. Please continue to fervently pray that many would be turned *"from darkness to light and from the power of Satan unto God"*!
