

Dear Friends and Supporters,

Christmas 2020

The year 2020 is almost behind us and a new year is in view. Although 2020 has been disappointing in some ways, it has been exciting for Tamala and I in many ways. We have been busy in meetings and presentations of the ministry that God has given us. When giving a testimony in churches, we have shared that many are having trouble feeding themselves or even having their basic needs met because of the lack of electricity and/or modern conveniences such as stoves, refrigeration, and storing of food. Our main goal has been to help some of the pastors and Christians to survive.

Some monetary funds have been raised to help the Kenyans. Most of the areas in their country have been on lock down and they have seen some difficult times in getting food and paying rent on their homes and churches. American Christians are so generous in their giving, which we have experienced with churches that support our ministry, as well as those who have given love offerings.

We mentioned in a previous letter the need in the Kenyan churches for a simple thermometer to take one's temperature. The cost here in the USA is very modest, but in Kenya, where a person would make perhaps only a dollar a day, this is a great expense. A few thermometers have been purchased so that churches would have one for their congregation to avoid a fine from the government.

For many years, as a family living on foreign soil, most of our Christmases were spent with the people that we preached the Gospel to and those who had become part of the family of God, who became our extended family. We were able to speak a few minutes by telephone to tell our parents and loved ones that we were fine, and we loved them. Life and times have changed over the years. Our parents are now in heaven and we are waiting to see them. The holidays and special days now are when our children and grandchildren come to visit.

Each time we wrote a prayer letter over the years, we ended with a thank you to those who pray and support us. It has allowed us to carry out the calling God has placed upon our lives to preach the glorious truth of the Gospel of His dear Son, the Lord Jesus Christ. We would like to again thank you for your faithful prayers and support of our ministry over the years.

Closing with a very **Merry Christmas** to all! May this coming year be blessed and filled with the goodness and direction from our great God and Saviour Jesus Christ.

With grateful hearts,

Bro. T.J. & Tamala Tilley
