

A Letter From T.J. & Tamala Tilley TILLEY'S TRAVELS

“GO YE INTO ALL THE WORLD
AND PREACH THE GOSPEL...”

MARK 16:15

Dear Friends,

Greetings in the Name above every Name, the Lord Jesus Christ. In times like these it is especially wonderful to be a Christian. My salvation experience takes me back fifty-one years ago on an airplane, when I recognized myself as a sinner and understood God's love for me; He gave His Son, Jesus Christ, to die, to be buried and resurrected from the grave, that I might have life. Then He called me to preach the glorious Gospel, and then to be in missions, forty-five years ago.

In our last prayer letter, we told you about our trip to Kenya in February before the ban was put on traveling. The first week we held training sessions with preachers and the second week was preaching in village churches, schools, and grocery stores; more than 300 were saved. A trip to Belgium was scheduled for April but had to be cancelled due to a ban on travel to Europe.

During the pandemic, we have been able to attend all regular services, mostly while sitting in our car listening over a speaker or via transmission on the radio. The Lord has also blessed us by providing for every need. Doors of opportunity opened for me to preach this past week, although I have not been able to preach much during the past couple of months. I am ready to be back in the pulpit, ministering the Word of God.

Certainly, our travels have been impacted and we have been in prayer about what the Lord would have us do at this time. In the meantime, we would like to get back into some of our supporting churches and into others that we have not visited lately. If you want us to come by and give a report, please call, email, or text me and we will schedule a time.

Many countries are having a difficult time with lockdown, especially those that have a rented building or a mortgage and are not able to hold services with their people or even to have contact with one another. We have been in touch with ministries in different parts of the world to give some encouragement to them and, through others, to help them in a small way with their needs. Churches all around the world need our prayers and need to be encouraged. Although we may be uncertain about the future, God is in control and nothing takes Him by surprise. II Timothy 1:7, “For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.”

When the Lord says to go it is our desire to continue traveling, but while we are waiting on Him, we have been given the command to give the Gospel **as** we go, and that is what we have been doing, because there is no virus from reaching people with the Gospel.

Your missionaries,
T.J. & Tamala Tilley
