Dear Friends,

The work of the Mission may seem relatively unimportant as we think of the safety of our families and friends during the COVID-19 pandemic. While confirmed cases are growing by the minute we continue to serve those who are hungry, homeless, and hurting. Men, women, and children continue to come to the Mission each day seeking food, clothing, shelter, and most importantly, a glimmer of hope in these trying times.

The current "state of emergency" is nothing new for those we serve. It is only compounding the problems they were already facing. Like you, they are working to adjust to this ever-changing set of challenges. Prior to the COVID-19 pandemic statistics showed that 1 in 5 people in our local community were living in poverty. The impact of this deadly virus is making it harder for more people to obtain meals, groceries, and other essential services.

Your help is of the essence as we continue providing life-sustaining supplies and services to our neighbors each day. Your compassion and kindness through your financial support ensures we are able to provide food, shelter, and hope to those we currently serve. Your support also ensures we are equipped to serve those who are coming in need for the very first time.

Will you help us to help them? Not only their "today" but also their "tomorrow" is dependent upon your "coming to the rescue".

May God bless you,

Rhonda Mobley
President and CEO
Valley Rescue Mission

"Even though I walk through the darkest valley, I will fear no evil, for You are with me; Your rod and Your staff, they comfort me." - Psalms 23:4 NIV
