Dear Friends,

Our local community is full of many homeless and hungry men, women, and children. They often find themselves existing in the shadows; embarrassed and ashamed of where they are in life. They feel lost and in need of life's essentials. In their quest for help, many come to the Mission where not only are their essential needs met, but also hear about God's plan of redemption for their lives. That's what the Easter holiday is truly about.

Easter is about God's plan of Salvation through the gift of His Son. It's about Christ's resurrection, His victory over death and a new life. God's gift is available to everyone! His gift transcends embarrassment and shame. It provides hope to the hopeless, comfort to those who feel alone, and restores those who are lost.

This Easter, we invite you to join us in providing meals, shelter, addiction recovery and so much more. We encourage you to give knowing that your gift will directly help those in the local community and point the way for them to receive the gift of Salvation through Jesus Christ!

Thank you! We are so grateful to you for *Coming to the Rescue*.

God bless you,

Rhonda J. Mobley
President/CEO
