

"For we preach not ourselves, but Christ Jesus the Lord." II Corinthians 4:5

Dear Praying Friends,

December 21, 2020

But the angel said unto him, Fear not, Zacharias: for thy prayer is heard; and thy wife Elisabeth shall bear thee a son, and thou shalt call his name John (Luke 1:13).

After four-hundred years of silence from Heaven, the first words we hear from the messenger of God is, ***Fear not!*** The angel would use that same phrase when informing Mary of her calling, and the shepherds would also receive those identical words of comfort, ***And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord*** (Luke 2:10, 11).

To try to explain 2020 is next to impossible; if I could use one word, I think I would say—**opportunities!** The opportunities to allow God to be God has risen in many areas during this last year! From starting an addiction ministry in India, to weeping with those who are weeping and rejoicing with those who have reason to rejoice! I thank God for every trial, every heartache, and for every victory!

I never knew how or why we would so suddenly be restricted from international travel until the Corona Virus made its grand entrance. I am so grateful that God allowed us to develop our partnership program in so many different countries. Many of our national partners were restricted from going to the prisons and schools, but praise the LORD, some continued their work! Also, the International School of Truth, in Kampong Cham, Cambodia, was able to start up again this fall. It is a great blessing to see the young Cambodian children learning Bible stories and allowing God to make them real in their lives. It is our prayer to raise up an army of soldiers for Christ in our School of Truth. Praise the LORD for Partners!

Please keep our family in your prayers. 2021 has many wonderful and exciting new opportunities on its horizon. Also, remember to pray for our national pastors serving in their native lands. I would like to visit many of our supporting churches next year. If you would be interested in a personal update, please give me a call and we will be glad to make our way to your church.

Paula and I would like to say thank you for your faithful prayers and financial support! We would also like to wish each and every one of you a very Merry Christmas and a Happy New Year! It is our prayer that God will allow each of you to rejoice in knowing that our Redeemer is alive and well!

Merry Christmas and Happy New Year!
