Dear Praying Friends,

May 21, 2019

The fruit of the righteous is a tree of life; and he that winneth souls is wise (Proverbs 11:30). The Word of God clearly informs us that it is a very wise thing to be someone who loves to tell others about Christ. But, I also believe that this verse indicates that God will give us the wisdom needed to conduct our soul-winning efforts!

The LORD gave me a very fruitful trip to South Korea. I again, was given the privilege of preaching the Gospel in the prison, resulting in several hands raised to signify they had received Christ. After the day in the prison, we made our way to an addiction program where we spent several hours with the men. God used us to be a great encouragement to these men seeking help from God's Word.

Another highlight of the trip took us to a mission work to people from China, who regularly transport goods by ferry boats. Each person fills two suitcases with goods from China to sell and then return with items from Korea to wholesale in China. The manufactures are beating the tariffs on the cargo by using human mules to do the transportation work. Pastor Parks is providing a place of refuge for these Chinese people to rest, eat a good meal and then he fills their hearts with good old-fashioned preaching! There is a great need to get him Bibles and literature in the Chinese language for these dear souls to take back to China. Please be in much prayer about the work in South Korea. I am asking the LORD for the wisdom needed to get the Good News to the men, women and children in the prisons and provide Gospel literature for our partners!

It was a blessing to be back in Cambodia! *The International School of Truth* is doing great. There was one more student to enroll while I was there. That makes a total of 19 children who are now receiving a Christian education! Glory! Please continue to pray for the much-needed resources to continue this great work. We are quickly outgrowing our building! We also have an opportunity to start the second *International School of Truth* in Phnom Penh. Again, the only thing holding us back is funding! Please pray with me that God would put this work on the hearts of men to help!

While in Cambodia, Brother Lomer and I attended a medical mission conducted by our partner, Pastor Sihok Seourn. It was such a blessing to see the sweet Cambodian people receiving medical attention for their sickness and spiritual attention for their soul! The LORD added 59 souls as a result. While Pastor Sihok and I were driving to meet the officials at the *Drug Addict Relief Association of Cambodia*, the LORD dropped a piece of wisdom in my heart that may give us an open door to all 24 prisons in the Country. While discussing an addiction program for this facility, it hit me! I looked at Pastor Sihok and said, *There is probably not one prison in Cambodia that would refuse a medical mission!* With a great big smile, he said, *You are right!* Long story short, our first medical mission in a prison will be conducted on June 22nd, 2019—GLORY TO HIS HOLY NAME!!!! Please pray; each of these missions will cost between \$1,000 - \$1500 dollars. That is just under \$17.00 per soul for the mission we attended. Please be in prayer about helping us finance the work in the Cambodian prisons. I believe we will begin to see a greater soul harvest! If you would like to sponsor one of these medical missions, please let me know!

As of May 22, 2019, the LORD has allowed the Van Horn family to finish 20 years of ministry with the Rock of Ages. Words cannot express our gratitude to all those who have made this accomplishment a reality. God Bless!
