# WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

*Fifty Years of Serving Him*

Second Quarter 2021

Dear Friend of World Wide New Testament Baptist Missions,

This past quarter you assisted well over 100 missionaries families with your regular gift. On behalf of the missions family, thank you.

Joseph of Arimathea, heralded in all four Gospels, worked behind the scenes after the resurrection to make sure all of the necessary requirements in regard to Christ's death were met. He gave out of the spotlight to make sure the practical aspect of the death and burial were done right. He gave sacrificially. He gave selflessly. He gave supremely.

God uses people in gospel work. He uses people who work behind the scenes. God brings people in far-flung places together to make sure missionaries are mobilized, servants are assisted, and the gospel can get to where it is needed.

Thank you for being a Joseph of Arimathea for our missions agency. Thank you for giving sacrificially, selflessly, and supremely. Thank you for giving to those who assist our missionaries 40-50 hours per week. Thank you for making sure our missionaries have reliable and efficient clerical work done on their behalf.

Because you give, our agency remains able to get missionaries their support, provide their supporting churches with accurate accounting, and get the gospel to the regions beyond every day.

Our staff of seven, pictured here, need your prayer as they serve missionaries. Please pray for them to serve, to have wisdom, and to be used by God as they speak to missionaries each day who are in need.

Yours for the harvest,  
John O'Malley
