

Love Your Neighbor

Below are some ways that you can continue to serve people in our community during this time of social distancing.

1. Make cards and take them to a nursing home for staff to deliver.
2. Use sidewalk chalk to write on the curbs of houses in your neighborhood to encourage your neighbors.
3. Mow and/or clean up a neighbor's yard.
4. Make cards and treats for First Responders, Policemen, Firemen, Mail Persons, and Hospital Staff.
5. Pump gas for others (wear gloves) so people don't have to touch the pump.
6. Prepare treats for a local pharmacy staff.
7. Wash the cars of your neighbors.
8. Mail cards to kids at St Jude. The Speegle family could deliver.
9. Pull weeds at a local school.
10. Put up outdoor decorations for others to enjoy – *Christmas in Spring*.
11. Prepare and take treats to grocery workers.
