Where do I go?

Enter our church through the glass doors along Creps Street and visit the information center.

How do I check in?

We have a whole team of people ready to meet you! Our greeting team will get you checked in, answer any questions you may have, and escort you to the right place.

How do you keep my child safe?

- Every child and parent receive a matching nametag with a security code for pick-up.
- Every volunteer goes through an application process with a full background check.
- Allergy alerts are visible for parents and volunteers.
- Our preschool and elementary hallways are monitored through cameras and security personnel.

How do you handle promotion?

- **Nursery / Movers / Toddlers**
Generally these room transitions are based upon physical development and proficiency in crawling/walking.
- **Two Years to Fifth Grade**
Once your child turns two years-old, transitions follow the school calendar. We will transition all of our children ages two - fifth grade on Promotion Sunday at the beginning of the school year.

What time do I drop off?
