- Anyone who has experienced these symptoms in the last 24 hours will be asked to join us online instead
 - Fever (100.4 degrees or higher)
 - Cough
 - Sore throat
 - Shortness of breath
 - Any other Common symptoms of illness
- All families are asked to pre-register their kids so that we can plan our spaces accordingly.

AT CHECK-IN

- Families will experience contactless check-in.
- Families will be asked to distance themselves while waiting in line.
- Each child and volunteer will have their temperature checked
- Each volunteer and child, kindergarten and above, will be asked to put on a mask before entering the kids environments.

DURING THE GATHERING

- All kids will experience GPKids in small pods of kids and leaders.
- Each game and activity is specially designed to reduce contact.
- Every child will have their own set of supplies for any activity done on Sunday morning.

AT CHECK OUT

- Parents can check their child out at each kids environment without contact.
- All hallways will have a designated flow of traffic.
- Everyone will be asked to distance themselves while waiting in lines.
