# LEVERAGING THE LIVE STREAM

5 Ways to Engage our Community Online

## SHARE THE LINK

**Invite your friends & family**

Heading into the weekend, drop by the GPC Facebook Page and share the link to that Sunday's gathering.

## SHOW UP ON TIME

**Better yet...be early**

Make your coffee, grab the family, and get ready to worship. We've got fun stuff right from the start.

## PARTY IN THE COMMENTS

**Let's connect**

When you engage in the comments, you encourage others. This also helps get the stream in front of more eyes.

## WELCOME OTHERS

**It's someone's first time**

We've seen new people dropping into our stream every week. Let's really welcome them into the family!

## SHARE THE REPLAY

**What did you learn?**

We keep our replays available for all to see. Try sharing the replay along with your favorite part or biggest takeaway from the gathering.
