with kindness and love!

Cook something together as a

# Salt

Here's a joke to tell!

Q. Why do sharks only swim in salt  
water?

A. Because pepper makes them  
sneeze!

Read Colossians 4:6a (ESV)  
together: "Let your speech  
always be gracious, seasoned  
with salt..."

Discuss— What is one example of  
letting your speech be gracious?

Pour some salt onto one  
side of a plate and some  
sugar on the other side.

Ask the others in your  
family to guess which is  
which. Then let them taste  
and see if they were right!
