*Church, as we begin to re-gather for Sunday morning Grow Groups, there is a need for flexibility and leadership. Would you pray seriously about whether God would have you volunteer **for a season**? As more people return, there may be a need to combine classes until leadership is determined and we can better assess classroom space and placement. Please contact the church office, if you would like more information on leading a class or if you are looking for a class to **GROW** with.*
