

END OF THE SUMMER CHECK-IN

HEART

If someone asked you to describe your top 3 or 4 passions in life, what would you list?

As you prepare for the next grade, what excites you?

As you prepare for the next grade, what concerns you?

What would you say has been one of the most difficult situations you've faced over the summer?

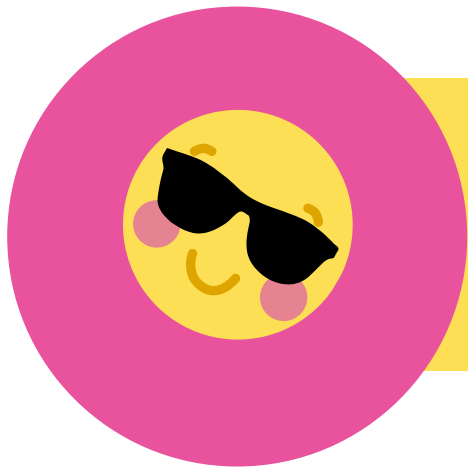

MIND

Over the next year, I feel God leading me to...

Are there any goal(s) you have for the next school year?

What are some dreams you have for the next 3-5 years?

HOME

I feel most joyful when...

I feel most anxious when...

I feel most frustrated when...

Something I wish we did more is...

Something I'd like to do with just Mom is...

Something I'd like to do with just Dad is...

What I love most about my family is...

One thing I wish I could change about my family is...
