## STEP 1

We could not be more thrilled that today you have chosen to take a step in your faith journey and learn more about what it means and what it looks like to be connected to a church.

We are not perfect, and honestly we still have a lot to figure out. This is the case for people and it will always be the case for the church, but we hope that who we are today and how we have discovered to best connect you to the joy of the message of Jesus will be both exciting and honoring to you.

We hope at the end of today's short class that you would say "yes" to putting down roots at Coastline Church!

## Statement of Faith

### **Statement of Faith**

The foundation for our beliefs is the Bible, which through human authors is God-inspired, and the final authority on all matters on which it speaks. As the Bible teaches, there is one God, eternally existing in three persons - Father, Son, and Holy Spirit.

God created humans to have a relationship with Him, but at the beginning we went our own way. As a result, we need God's saving grace to end our separation from Him. Salvation comes only through God's grace - not earned by our own effort - and must be received by repentance (turning away from sin) and confessing faith in Jesus.

Jesus Christ, the second Person of the Trinity, lived a sinless life on earth and paid for our sin by dying on the cross. This accomplished salvation for all who receive grace by trusting in Him alone. He rose from the dead and is the only mediator between us and God. He baptizes believers in the Holy Spirit.

The Holy Spirit draws sinners to Jesus and equips believers for personal growth and giftings for the church and all humankind. The church's role is to glorify God and serve people in need. After Jesus returns, everyone who has believed and recieved the grace of God will experience bodily resurrection.

## Next Steps

### **Baptism**

Baptism is an important step of obedience that shows others we have personally trusted Jesus for our salvation. Jesus was baptized when He was on the earth, and we do this to follow His example. When Christians are baptized, they are submerged under water to identify with the death and burial of Jesus and raised out of the water to identify with His resurrection. We believe that water baptism is a public declaration of three important things: you are a follower of Jesus Christ, you are beginning a changed life in Christ, and you are part of a new family.

### **Small Groups**

Small Groups have one, simple purpose: to bring people together. We believe God created us to live in relationship with others and only then can we live the full life He intends for us. Sharing life through community is part of our design, but meaningful relationships aren't always easy to find. That's why Small Groups exist—to make these life-changing relationships relevant and accessible to you.

Most asked questions about serving: **Will I miss the Service?** Most of our serve areas do not miss service, and we invite our entire DREAM TEAM each weekend to join us at 9AM for a special time of worship with our Worship Team as we prepare for the morning ahead.
