SEED Registration

The time is fast approaching for the 2022-2023 SEED school registration. We have planned Open House for January 31st-February 3rd with registration beginning for current 4K students on February 2nd. Detailed information regarding registration will follow later this month.

On behalf of the entire staff, please accept my appreciation for all the cards, food, and fabulous gifts sent in to school for Christmas! We are so thankful for all of you and blessed to have such wonderful families in our SEED program.

Blessings,

Michelle Pearson

Brrr...It's Cold Outside!

January brings winter weather! In the classrooms, we see snowflakes, mittens, hats, and scarves and we learn about hibernation and animals in the winter. Since it is winter, please remember to send a coat with your child to school. We go outside everyday that it is not raining. Please remember to make sure all outerwear is labeled. Check also to see if your child's extra clothing is season appropriate.
