Dear Senior,

Congratulations on your upcoming graduation! This is a great accomplishment and something of which you should be very proud. We want to celebrate with you here at St. John's for **Graduation Sunday on June 6th**. *As of right now, we are planning to meet together physically in the sanctuary for this special service.* We plan to acknowledge your accomplishment at the 11:00 service where we will present you with a new Bible on behalf of the church. We ask that you wear your cap and gown for the recognition service. There will be a special Senior Times bulletin and during the service, there will be a senior slideshow. As of right now, some details are not known to us because of COVID protocols. As things hopefully change for the better, we will communicate those details to you as soon as possible.

There are several ways for you to participate in this service, from reading scripture to praying, to sharing your testimony. If you have an interest in any of these options, please fill out the Google Form as soon possible. (This letter was sent to your email as well and the link to the Google Form can be found [here](#).) We will contact you personally with more details once you respond.

The questionnaire for the Senior Times is located on the church website stjaiken.org/foundation-seniors. Please download the PDF, fill it out and return via email to foundation@stjaiken.org. Also include a digital senior photo and 5 digital images of your choosing for the slideshow. The senior photo will be featured in the Senior Times bulletin with your bio. The slideshow images generally range from baby to present day.

Here's what we need from you: (1) fill out the questionnaire on the church website and email it to foundation@stjaiken.org with a Senior portrait photo of you for publication in the Senior Times, (2) let us know if you will be attending Graduation Sunday via the Google Form and if you'd like to participate in the service, and (3) send us digital copies of baby pictures or other life photos that you want to share in the slideshow for the June 6th church services. The final editing of the slideshow falls to the discretion of the youth director. The **deadline is May 16th**. We hope you will plan to join us as we celebrate you and your accomplishments.

God Bless,
