

Crosspoint Bible Church Core Values

2020-06-25

With much prayer and by faith, so that God is ultimately glorified through Crosspoint and in each facet of the ministries of the Crosspoint family, the Elders of Crosspoint affirm the following items as our Core Values:

Engaging Corporate Worship: By the grace of God, Crosspoint will be a church that powerfully engages its people in Word-centered worship which will be characterized by the joyful singing of psalms, hymns, and spiritual songs; clear, practical expository preaching; passionate prayer and intercession, and thoughtful Scripture reading. The aim of our worship is to glorify our great God and to encourage and equip the saints for the work of the ministry.

Great Commission Focus: By the grace of God, Crosspoint will be a church steadfastly committed to the fulfillment of the Great Commission. We will equip, send, and support members to work in the harvest fields, locally and around the world, engaging with established ministries as appropriate. We will create platforms for each member to personally be a part of gospel ministry, using our own time and energy for reaching Omaha and surrounding communities.

Intentional Discipleship: By the grace of God, Crosspoint will be a church that purposefully trains each person in the body, young and old, so they may be constantly pressing toward spiritual maturity, using their gifts and resources in ministry, and living authentic, godly lives with a view towards regularly sharing the Good News of Christ with others.

Loving Community: By the grace of God, Crosspoint will be a church marked by genuine community and loving relationships, providing support, counseling, accountability, and encouragement. We will welcome all those looking for hope or seeking to grow in or know more about Christ, fostering freedom to ask questions and to grow at different paces, while extending Christ-like grace to all.

Passionate Prayer: By the grace of God, Crosspoint will be a church of deliberate, passionate prayer that permeates every facet of the lives and ministries of all our members. The purpose of our prayer is to communicate with God, to commune with Him, and to deliberately declare our dependence on His strength, help, and upholding.

Servant Leadership: By the grace of God, Crosspoint will be a church led by both seminary-trained and lay elders to collaboratively guide the ministry with excellence, accountability, and strategic intent towards its God-ordained purpose in Omaha and the world.
