

Disciple Now

WEEKEND INFORMATION

Activities begin on Friday evening with a rally. Then you will join other students in your age group at one of our host homes. We'll spend the weekend sharing in worship, Bible study and fellowship. This is an awesome time to get to know people and make new friends!
**Due to COVID-19, every youth does have the option of returning to their own home at night.

An **IMPACT TEAM** is a student-based ministry that is an extension of North Greenville University's Baptist Collegiate Ministry. BCM trains and deploys a variety of teams that serve churches like ours. They will be leading our small groups. They were part of our DNOW in 2019 & 2021 and have ministered to OVBC girls during RENEW weekend since 2016.

On the reverse side of this pamphlet, you will find a release form for a parent or guardian to complete. **Registration begins Wednesday, Jan. 26th.** Bring your completed form and **\$60 registration fee** to the church. **Registration deadline is Wednesday, Feb. 9th.**
