

Bible Fellowship Classes

OAK VIEW
BAPTIST CHURCH

God's desire for us has never been to go through life alone. His desire for us is to be in fellowship with Him and others. At Oak View, we know life can sometimes be challenging and that's why we believe that doing life together makes more sense. Whether you're in 1st grade, right out of college or in your 90's, there is a place for you to study the Bible and connect with others. We would love to help you to connect in any way that we can. Listed to the right is our Bible Fellowship Classes. We encourage you to try several and see which one fits you best.

Please let me know if you have any questions, or if I can help you find a class.
