From the Pastor

Dear Church Family,

Now that we have the debt paid off. I would like to encourage Westside to give to the "Renovation Fund" to help us put new flooring in the atrium, and replace our old boiler and chiller system with a new energy efficient heating and air units for the older parts of our building. Remember this is above your Tithe giving. This project is something we have needed to do for quite a while. Please help us by giving extra. Please right on your church giving envelope, or Check, "Renovation Fund". Thank you for always being generous. May God continue to bless each of you!

Easter Event coming soon:

Sunday, April 17, Easter Sunrise Service at 6:30am and Easter Breakfast after the Sunrise service. Breakfast will be served until 9:30am. Everyone is welcome to join us, please invite a friend/neighbor/co-Worker/ to come with you. Let us celebrate the Resurrection of our Lord!

Pastor Shaw.**

OUTREACH MINISTRIES

Hey Church Fam!

For the last few months I have been able to worship with you guys and fellowship with you all I can't tell you all how very excited I am to be able to bring you guys some awesome events coming up in our near future and some exciting updates!!! So first on the list for Some mission Opportunities is our Mission for the Spanish Christian Lighthouse Center in Waynesville. This mission was originally scheduled for Spring break but as we got more information we decided that it would be best to have more time to plan for this mission so that we can pull it off with a lot more ease than was originally planned! So that mission is now rescheduled for the month of June we will start the First Week of June so the week of Memorial day will be when we start. This mission will also go for two weeks so as to make sure that we complete the mission and help the church out as much as possible. Please get with me if you would like to help we need a lot of people to help us with the labor part of the work! Also on my list of outreach events is the tailgater Food drive you all have been so awesome in helping us start up this ministry to help people in our community get some food and help them survive and continue to help our community in that sense so thank you, with this food drive we will be continuing to do this but we will start to only do it once a month so as to make it easy for our congregation to give to this amazing outreach opportunity more details to come so stay tuned to our announcements! One of the other outreach opportunities that I am very excited to announce because it mixes in worship with it (My Passion by the way) is our Nights of worship that we will start this June it will happen once a month and it will be an awesome way of reaching out to the community with worship, prayer, and scripture readings, we will start having these events in the Waynesville park during the Summer and then transition them to a place that will be accessible to our community for the rest of the year we will start advertising that soon and don't worry with these events I know all you Baptists will be happy to know we plan to have food for these events just to make the events that much more enjoyable!! Well that's it for outreach now I would like to share with you all the blessings that the Lord has brought us, so for starters we were able to get a new computer for our services in the sanctuary some of you all may not know but this will bring us better results for our streaming services better sound quality picture quality etc.! then we were able to buy a new soundboard for the FLC which has already been a blessing so far in terms of events in the FLC I.E. Youth services easter sunrise service coming up here in the near future!! Lastly we were able to buy a new speaker system for the sanctuary which will be installed very soon! All of these blessings were from God and also the generosity of our congregation which I think only can come from the Lord so thank you all and Thank the Lord may you all be blessed and We cant wait to celebrate with you all very soon!!

YOUTH MINISTRY

Hello church fam & friends!

It's spring time, which means we are busy prepping and planning for all things student ministry in the summer months! I have to admit, I HATE the heat...but I do LOVE the unique opportunities the summer time brings when it comes to doing student ministry. Please keep us in your prayers as we plan and prepare for what all God has in store for us this summer! God moved some mountains and did AMAZING things in the hearts and lives of our students last year. I expect even greater things from Him this year! Here's what all we've got coming up:

- Easter Worship Weekend (including lock-in) Friday, **April 15th - Saturday, April 16th**
- COLOR WARS/final WNL of the school year - **Wednesday, May 18th from 6-8pm**
- Annual Silver Dollar City trip - **Tuesday, May 31st (time is TBA)**
- Mission trip to Washington D.C. - **Saturday, June 4th - Saturday, June 11th**
- Youth Camp 2022 @Lake Williamson Christian Center in Carlinville, Ill. - **Tuesday, July 5th - Saturday, July 9th**

I am currently working on our summer events calendar (we call our summer ministry "Summer Nights") and, Lord willing, will have those out soon. If you'd like a copy of it, or if you want to be added to my monthly email list, please let me know and I'll be happy to add you to my list.

Thanks so much for all the love, encouragement, and support! I appreciate you all so much and am truly blessed to serve our great God and King alongside you all!

Give em' Heaven!

**Many blessings,
Pastor Drew Simmons**

Westside4Kids is growing in Jesus! We have been learning that we should not be embarrassed to share the love of

Jesus with others. Our focus verse Romans 1:16 says, "I want to preach it because I am not ashamed of the good news. It is God's power to save everyone who believes." We may not be called to preach in big crowds like so many of our Bible heroes, but we can show the love of Jesus to others in our everyday encounters. Just by holding the door for someone, giving someone a warm smile, sharing a toy with our siblings, or helping our parents out around the house are all great ways to show the love of Jesus that is growing in our hearts. You are never too young or too old to be a difference maker.

VBS- July 18-22 Please be praying for our upcoming 2022 VBS. More details coming in the next couple of months.

Preschool Ministry

HAPPY SPRING! "Let my teaching fall like rain and my words descend like dew, like showers on new grass, like abundant rain on tender plants" Deuteronomy 32:2. Just like the spring rain provides nourishment to the plants, His Word reaches into our hearts and shows us new things. You're never too young to learn about God and His goodness! The little ones in the Preschool Ministry continue to grow in knowledge of our Lord. Our babies-toddlers are learning about God's Garden this spring. The rest of the classes are learning about Jesus, from His Triumphant Entry to His sacrifice on the cross.

Speaking of growing in the knowledge of the Lord, our little friends who will be going to kindergarten this fall, will be promoting to the Children's Ministry. Promotion Sunday is June 5th. We will miss these friends but are thankful for the time we have had with them. We pray they continue to tend to the seeds that have been planted while in the Preschool Ministry!

Other important dates to remember:

April 07- Mommy & Me Playdate @ 9:00 am in the Fellowship Hall

April 12- WCA Elementary Easter Program (Join us watching this special performance)

April 17- EASTER

May 05- Mommy & Me Playdate @ 9:00 am in the Fellowship Hall

May 18- Disciple Knights Celebration

June 02- Mommy & Me Playdate @ 9:00 am in the Fellowship Hall

June 05- Promotion Sunday

The spring season is helping the Preschool Ministry to GROW! We have an abundance of new young families visiting on Sunday mornings. If you would love to be a part of planting seeds, rooting children in faith and helping them to grow in love, we would for you to join the Preschool Ministry Team now! Just drop in downstairs and find me, it would be my pleasure to help you!

Misti**

B.A.S.I.C'S (BROTHER AND SISTER'S IN CHRIST)

An article in Senior Living mentioned a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. The letter read as follows:

"I've gone to church for 30 years now. In that time I have heard something like 3,000 sermons. But for the life of me, I can't remember a single one of them. So, I think I'm wasting my time, and the pastors are wasting their time."

This started a real controversy in the Letters to the Editor column. It went on for weeks until someone wrote this following clincher:

"I've been married for 30 years now. In that time, my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

Quite often, people downplay the importance of church attendance simply because it doesn't give them the "spiritual high" they're looking for each and every week. But church doesn't exist to make you feel good. It exists to glorify God! Pray that God would give you the resolve to remain connected with other believers when you're tempted to do life alone. Let's give God praise & glory together as a family.
