

GROWTH GROUP QUESTIONS

How were you encouraged or challenged by this week's bible study?

As we study about Joseph and Mary and their walk of faith during the time of Jesus' conception and birth, how do you identify in your own faith journey? Have you ever had a time where God spoke to you and moved you out of your comfort zone for His purpose in your life or in the life someone else? Explain

Pastor Kelly spoke about the various characters surrounding Jesus' birth and their responses to the Word of God and the coming of Jesus. What response do you identify with most today and why? How can your group pray for you today?
