

# GROWTH GROUP QUESTIONS

How were you challenged or encouraged by this week's Bible study?

Share one blessing, one challenge and one thing the Lord taught you in 2020.

As we study about Saul/Paul, the man who seemed to be hardened, far from God, yet God saved him and used him radically. Can you think of anyone in your life like this whom you thought is unreachable and yet God got ahold of their life? How did that encourage you in your walk and/or how you pray for or minister to difficult individuals? How would you encourage others who have a "Saul" in their life, but that person is still far from God?

Read 1 Peter 4:7-19. As we are confronted by a hostile world knowing our Lord's return is close, what should our attitude and conduct be, especially toward them?
