### PACING

The 'Pacing' column shows you where your child should be in their handbooks. They should complete 1 of the 6 Courses in their handbooks every 5 weeks to be on pace with completing the handbook by the end of the year.

### DOOR-TO-DOOR (Sat.9/26, 10/3)

Pathfinders and Trailblazers clubbers and leaders will take flyers door-to-door on Saturday 9/26 and Saturday 10/3 to invite kids in nearby neighborhoods to club.

### FOOD NIGHTS: (all start at 6:00)

We have three 'Food Nights' a year; 'Bring a Friend Night', 'Hawaiian Night' and 'International Night'. We serve food right at 6:00 so we can be done in time to start our normal club activities at 6:30. These are great nights for your kids to bring friends to club for the first time! This year due to COVID-19 restrictions, we may not be able to have these Food Nights. We will make the final decision once we are closer to each night.

### GRAND PRIX RACE

In April we will have a pinewood derby race for all kids in YN's who want to participate. Cars will be made available for sale in early January. For those who do not have access to tools to 'shape' a car, we have leaders who can take the car home and cut it to your child's desired shape. More info on this in the spring.

### MISSIONS CONTEST

Each year as a club we select one of our missionaries to support as a club for the year. The kids will make cards and letters that we'll send to them to let the missionaries know we are praying for them as a club. We also collect missions money from the kids throughout club that we send to the missionaries at the end of the year. In February we'll have a 4-week contest to bring in money for the missionaries. Special treats will be given at the end of the contest.

### FUN FAIR NIGHT

This is the last night of club before the Awards Ceremony and the kids get to play all sorts of games for prizes and candy.

### AWARDS NIGHT

This is the most important and last night of club for the year. This is a special time for the children to be recognized as a whole.
