Jenny is a Team Evangelist for Mission24.

Biography

Jenny grew up in the wilds of Scotland. At sixteen years old, she went to a Christian holiday camp in Cornwall where she encountered Jesus and was powerfully saved. One year later she received a call to evangelism.

Jenny has been involved with several evangelistic ministries, including Open Air Campaigners, who specialise in street outreach, and graduated from the Mission24 Internship in 2018. Jenny also trained for crusade evangelism with Christ For All Nations under Daniel Kolenda in 2020.

She is zealous to reach the lost and has spent many years in full time evangelism. She considers herself blessed to have had the opportunity to preach the gospel in 22 other countries as well as many towns and cities within the UK. She has a particular heart for Latin America and Africa and for taking the gospel to those in unreached areas who have never had an opportunity to hear the good news. Jenny has had the joy of seeing thousands saved and many healed both in the UK and a growing number of countries around the world.
