Wayne is a Team Evangelist for Mission24 and Founder of Go and Tell ministries.

Biography

Wayne was dramatically saved from a background of abuse and drug addiction about 25 years ago. His whole person was radically transformed from the moment that he met and gave his heart to Jesus.

Since then, he has worked with Youth for Christ, developing a skill set for effectively delivering the gospel and much needed life lessons from a Christian perspective to young people. Wayne has a heart to see youth of all ages empowered and moving in the Giftings of the Holy Spirit.

Wayne graduated from the Mission24 Internship Programme in 2019 and is now a Team Evangelist with Mission24. He is a local church leader at Branches Christian Fellowship, local churches appointed lead Evangelist for the Rochdale area and Founder of Go and Tell ministries. His desire is to go full time in ministry, but he continues to use his trade-skills as he waits for the appointed time. Wayne is married to Lucy and has two grown children, Sophie and Tim.

Wayne has ministered with Mission24 on many missions across the UK and around the world and has personally seen over 1000 people give their lives to Jesus in the past year and many healed.

He is passionate and zealous to see every town across the UK impacted and transformed by the love of God and released into a life of adventure with the Holy Spirit. He wholeheartedly believes that revival is coming to the UK and is ready and willing to play whatever part God calls him to.
