Justin is a Team Evangelist for Mission24, and Founder of “Gospel Alliance” based out of Exeter.

Biography

Despite being a chorister at his local parish church, Justin grew up in a very sceptical environment opposed to faith in Jesus.

At the age of 18, he had a dramatic conversion encounter and immediately had a strong sense of calling as an evangelist. Justin eventually took employment within the education sector, where he has more than 20 years’ experience. In 2016 he had what can be best described as a ‘divine appointment’ with Jonathan Conrathe and is now a Team Evangelist with Mission24.

He has had the joy of leading thousands to Christ and has seen many healed both in the UK and in a growing number of countries around the world.

Justin has a great gift for both one to one evangelism and preaching the gospel, and he can regularly be found on the streets of Exeter sharing the love of Jesus alongside a team from Rediscover Church. In his capacity as Founder of Gospel Alliance which encompasses Project Agape, he also leads and encourages outreach teams in the surrounding area. Justin regularly leads teams from Mission24 on mission around the world, as well as teaching and equipping churches to heal the sick and lead others to Christ through the Mission24 Impact Course.
