Dr Wiktor Zbrzezniak is a Mission24 Trustee and an active facilitator for The Turning project.

Biography

Wiktor joined Mission24 as a Trustee in early 2020 having known Jonathan Conrathe for 25 years. He is married to Sandy and they have four increasingly grown up children. They worship at Alive Church, Grantham where Wiktor and Sandy are involved with prayer, outreach and discipling ministries. Wiktor also serves on the Worship team, playing cello and bass.

Wiktor was previously one of two founding elders of Jubilee Church in Grantham who together oversaw the pioneering of the church from their living room through to major premises in Grantham. He is an Evangelist with The Turning, participating and leading many hubs in missions across England and Wales. He also co-ordinates the International Team for Barnabas Fellowship of Churches.

Wiktor retired from medical practice as a GP in 2019 having been Senior Partner at the CQC outstanding Caythorpe and Ancaster Medical Practice, remaining a Fellow of the Royal College of General Practitioners.

Sandy and Wiktor have been powerfully touched by the love of Father God as expressed through Jesus and seek to move in the power of Holy Spirit to bring this love to others, both directly in evangelism and through the equipping of saints for the work of ministry.
