1. Tuition is an annual fee which is divided into equal 10 monthly payments. The first payment is due on August 1st. If you choose to pay tuition for the entire year as your first payment, you will receive a 5% discount.
2. Tuition payments are due on the first of each month from August through May.
A late fee of \$25.00 will be added after the 10th of the month if payment has not been received.
3. A charge of \$35.00 will be added to the account with a returned check. Accounts will be on a cash basis after a check is returned on the account.
4. Report cards will be held in the office when accounts are past due. They will be issued to the parent when payment in full is made.
5. An account that has an outstanding balance after the 10th of the month is not current and is considered delinquent and may result in all services being suspended until arrangements are made and the account is brought current.
6. If a student withdraws with an outstanding account balance, all school records are held until the account is paid in full.
7. Overdue accounts, when not collected by the office, are turned over to a collection agency at the end of the academic year.
8. Initial fees and Curriculum fee are non-refundable.
9. All fees are payable regardless of attendance. Failure to pay for extended care service will result in the loss of extended care. Extended care fees, like tuition, are paid on a monthly basis and due on the first of each month.
