# REGISTER NOW!

In order for us to prepare properly for each gathering and to know when a gathering is full, we are asking that you pre-register for the time slot that you will be attending by using the link provided. If you are a family with kids and will be joining us, could you pre-register you and your children so that Mr. Ed & Aleta can properly prepare for your family? You will register your children under the KidVenture Time Slot.

You registering will help us be mindful of the attendance within each room, however, please be early so that we can help you find your seat. Otherwise your late arrival may forfeit a seat at a gathering. We are so excited to be able to gather again! Thank you all so much for your patience and flexibility!
