WHAT WILL WE TALK ABOUT?

Many people want to have the “best year ever,” or even just a good life. The road to a good life as a Christian usually looks different from the world’s view. It often includes trials and suffering as God’s way of shaping you into the person you need to be before attaining the life you’ve always wanted. Our January series “Best Year Ever”, helps solve the issue by walking through the life and story of Joseph. Joseph was given a dream by God that an incredible life was coming to him, but he had to walk through trial after trial, and have his character tested to the max, before God would allow him to have the “best year ever.” This series is all about seeing the life God has given you not as a series of random events, but as a collection of opportunities to grow in your character and become more like Jesus as you find your calling. By looking at the life of Joseph, we can see that trials and suffering can often lead to great joy and opportunity if we remain faithful to God.

JANUARY 2021

MISSION 56

During the month of January, Hwy. 56's offering will go to the many needy orphans of Hope Alive!. This amazing ministry helps over 450 children to eat, be schooled, and learn about the love of Jesus. These children would otherwise be left on their own in a very scary country. Let's help spread God's love with our offering.

MISSION Outreach Recap

On January 9th, 56ers will enjoy a sweet treat for their awesome participation in our food collection challenge for the Deacon's Christmas Baskets. Together the 56ers brought in over 100 food items. The girls officially won but only by a few items. What a blessing it was to see the smiles on the recipients faces!!
