APRIL 2021

WHAT WILL WE TALK ABOUT?

In the month of April, Hwy. 56 will delve into the series *Forever Changed*. During the next four weeks, we will study the amazing transformation that happened in the life of Paul, who is first introduced to us as Saul. Jesus is able to radically change our lives. 56ers might think that this was something special God did a long time ago in history or that God struggles to know who they are, similarly to how they struggle knowing the names of other people. They might think that Jesus doesn't care about them—simply one of over 7 billion people currently alive on the planet. And they would be wrong. The same Jesus who transformed Paul's life is around today and can transform your life too! Just imagine what our church, schools, and community would be if we allowed Jesus to totally change us the way He changed Saul!

But because of his great love for us, God, who is rich in mercy, made us alive with Christ even when we were dead in transgressions—it is by grace you have been saved.

Ephesians 2:4-5

MISSION 56

MISSION 56 PROJECT

Every year Centerpoint sends over 300 military care packages through the organization Blue Apron. During the months of April and May, Hwy. 56 will continue collecting socks for our military care packages to be sent out at the end of May. It is a competition between the 5th and the 6th graders filling their "sock box" with new crew socks. What's the prize??? The winning grade will get to "pie" ME!! Don't forget to bring a pair of socks with your offering!

MISSION 56 RECAP

56ers gave over \$50 during the month of March. We exceeded our offering goal of \$50 for the month. Let's not forget the impact of our generosity for Hope Alive! The last Sunday in April will be a Sundae Sunday.
