

FAITH

-over-
fear

Genesis 15:1, 21:17; Joshua 10:8,
11:6; 2 Chronicles 20:17

These are just a few of many passages that have two things in common: they all include the command to not be afraid, and they call the person by name. This reminds us of a number of

things: Fear is universal, many of God's children and leaders have dealt with fear, God knows what we individually fear, and He knows what you specifically fear. And... it is possible to not be afraid!

April Week 1

What would God say to you if He were to say

“ _____, do not be afraid of _____ ”?
(your name) *(your fear)*

What do you think God would say to:

“Do not be afraid because _____ ” ?

April Week 2

God speaks the words “do not be afraid” repeatedly throughout the scriptures to people. Why do you think it is so important to God that we not be afraid?

Do you believe that there is enough power in your faith to overcome fear?

April Week 3

Last week we noted that God repeatedly reminds his children to not be afraid. Where could you put such a reminder where you will see it every day?

When you find that place (a dry erase pen on a mirror works great) write out your name, what you are not to be afraid of this week or month, and the “because”.

April Week 4

How did the reminder work last week? If it worked, try it again this week. Put it in your car, on your mirror, make copies of it and put it in your lunch, wallet, purse, etc. If you forgot to do it, consider this your reminder!
