

Welcome Back!

We are so excited to see each of you!

We have been prayerful in how to best care and serve the families of our church. We feel each family can make the best decision for themselves. That is why during this time we are offering you 3 options.

Option 1: You are welcome to keep your children in service with you. We will continue to provide Activity Packs for them to follow along with the service.

Option 2: We will continue to offer Centerpoint Kids Online for our families to enjoy at home!

Option 3: Your children (AGES 3 months -6th grade) can attend Centerpoint Kid's Ministry during our 8:30 and 10:00 services where these new guidelines will apply.

- We will have pre-registration on our website prior to bringing your child to Centerpoint Kid's Ministry. Once you arrive, follow the signs where we will assist with check-in. We will escort your children to and from their classes to reduce exposure of those who have not been screened.

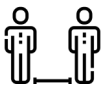

- We will strictly enforce our updated Good Health Guidelines, including a contact-free temperature check of each child coming into the Kid's Ministry areas.

- Our facilities will be disinfected before and between services.

- We ask you to please pick-up your child in a timely manner to allow us time to clean the classes and prepare for the next service. For pick up head to where you dropped off your child, show us your security receipt, and we will bring your child to you.

- We will have limited room occupancy and will make every effort to social distance children during the time they are in our care. Our activities have been adapted to support social distancing

- Our kid's ministry staff and volunteers will wear masks, complete a health check and have their temperatures taken prior to serving.

- Please do not send food, drinks, or toys from home with your child. We will provide a pre-packaged snack for children 2's – 5.

- **Children in grade 1st through 6th will be required to wear masks.** Younger children may wear masks if you choose, but it is not required.
