

Small Group Questions  
For the week of January 10, 2021

**Icebreaker:**

What/whom is your favorite historical person (besides Jesus), place, event, and object/structure?

**Discussion Questions:**

1. Review: what are all the elements that led up to the Reformation?

Why the Solas?

2. Do *we* need Solas today if we have the Bible?  
If yes – why?      If no – why not?

How do you feel about the exclusiveness that is in the scriptures?

3. If you haven't written out your own solas, you can do so as a group.  
First, rewrite the 5 Solas in your own words.

Second, what else would you add as a sola for you and why?

4. If you have already written out your own solas, share them with the group and why you chose them.

After hearing others, are there some you would add to your own?

If yes, which ones and why?
