Discussion Questions:

1. Consider the question Pastor Bryan left us with on Sunday: “What is a simple act of faith or trust to which God is calling you?” Has anything come to mind?
 - a. If so, share with your group and support one another to accomplish this calling.
2. Take time to read together one of the accounts of Paul’s conversion: Acts 26:1-29.
3. Some would say that Paul’s time before these various groups was “dead time” – when nothing seemed to be happening at all. Have you ever had an experience of “dead time” in your life?
 - a. Why do you think God allows such times in our lives?
4. Throughout these last chapters of the book of Acts, Paul is repeating his faith story over and over! When was the last time you were able to share your testimony?
 - a. If you have time, share each of your 2-3 minute testimonies in your small group.
5. Like Paul, have you found yourself in an unexpected opportunity to share God’s love or the good news of Jesus? Share those stories with one another to encourage each other and to praise God.
