

Small Group Questions  
For the week of May 9, 2021

**Icebreaker:**

If you are worshipping in person, what are you enjoying about doing so?

If you are worshipping online, what have you appreciated in the livestreaming or recording?

**Discussion Questions:**

1. Review: Why was it necessary for the Reformers to tell the church “sola gratia”?

Is there anything, anything at all you do to earn, deserve, or help with, in receiving salvation?

Are you sure?

2. What do these passages point to when it comes to grace?

1 Corinthians 15:10; Philippians 1:6, 2:12-13; Hebrews 6:9

Can you think of other passages that point out the same thing?

3. What is the difference between “salvific grace” and “transformative grace”?

4. Review: What are the 3 parts of our work?

Is there one or more you would say you are working at quite hard and quite effectively?

What makes you answer that way?

Is there one or more you would say you need to work at more?

What makes you answer that way?

What is your “work plan” for it (or them)?
