

“The Bible...”

Small Group Questions

For the week of July 10, 2022

Icebreaker:

When did you get your first Bible? Can you remember what that felt like?

Discussion Questions:

1. Read 2 Timothy 3:16-17 and Hebrews 4:12

How is the Bible without equal?

Explain in your own words what “God-breathed” means and its significance.

2. The Bible is useful for divine information – of the three words Paul used to describe this did any one of them stand out to you?

What is the danger of trying to imagine God (who He is, His attributes and character, His actions, etc.) apart from the Scriptures?

Why do you think some people, pastors, churches and denominations do this?

3. How do you experience the Bible as a tool for personal transformation?

4. Given all the Bible is useful for, why do you think so many Christians don’t regularly read or study it outside of a Sunday morning?

5. What have you found (an app, a plan, etc.) that helps you to regularly be in God’s Word?
