

“You Have a Number of Them Waiting”

Small Group Questions

For the week of September 5, 2021

Icebreaker:

Webster defines “serendipity” as “the phenomenon of finding valuable or agreeable things not sought for.” Have you had a “serendipitous experience” lately?

Discussion Questions:

1. Read Matthew 25:31-40

2. Review: what were the righteous surprised by (vv. 37-39)?

One reason God may not make divine appointments easily recognizable is he wants us to use our “eyes of faith”. What does that mean to you?

What are things that hinder our faith “eyesight”?

What are ways to improve our faith “eyesight”?

3. When you see a need, or hear of one, what are some things that stop you from helping, speaking, etc.?

4. Have you had a recent experience where Jesus used you in a divine appointment?
What was it?

Did you know going into it that it was a divine appointment or did you realize it afterwards?

5. How does it make you feel that Jesus is looking to use you to reach “your world”?

Excited

Unsure

Anxious to see how He will use me

Concerned I will get it wrong

Other:

6. Will you commit to praying that you would look for divine appointments in your world and take them on when you see them?
