Upsidedown Business Plan

The church is the only organization in modern day America where we see a complete reversal of common practice in our world. It's like "opposite day" for organizations.

We all know every organization, from the largest fortune 500 company to the family owned small business, even a family household, needs funds to operate and accomplish their mission.

Most organizations obtain funds by selling a product or offering a service. And in the process of those sales, they are completing their mission, with the funds from sales allowing them to continue functioning.

In the church, it's the reverse. The very products and services that are offered cannot be bought; they're free. And it's by offering these products and services that we complete our mission. Only Jesus could dream up an idea this wild. It's contrary to what seems logical. For any of you that have owned a business...this is completely ludicrous. Imagine telling a loan officer at a bank that your business plan is to give everything away.

The church operating in reverse to this is a beautiful picture of Christ's finished work on the

cross...it is offered to us for free when we live in a world where everything else must be earned.

So thank you being part of this group that gathers under the name Bethel Church as we do our best to be the hands and feet of Jesus. The group that operates with this completely illogical business plan that can only be successful by the grace of God. The group that can only accomplish their mission by being willing to give so others can know of Christ's finished work for them.

John 13:35 "By this everyone will know that you are my disciples, if you love one another."

Prayer for Bethel Church

We praise God for the students who attended Battle Lake Day Camp this past week and pray for those who will be attending Fergus Falls Day Camp this week. Pray for Inspiration Point staff who led last week and will be leading this week. May God speak through them to share the Gospel of Jesus Christ with the students.

Prayer for the Bagirmi People

Bethel has committed to spreading the Gospel to the Bagirmi, an unreached people group in Chad.

Pray for the Bagirmi School as they look to hire another teacher and add more students this coming year! Praise God for this incredible ministry that allows our missionaries to share Bible stories within the curriculum.
