

The mission of the Mission Outreach Board is:

The Mission Outreach Board will support Hillside's vision and mission by proactively and prayerfully bringing focus and order to the growth of missions and outreach.

The Purpose of the board is to support ongoing missions and outreach through:

INTENTIONAL PRAYER

Praying for God's guidance regarding each mission trip and outreach program.
Praying for our missionaries that are on short and long term trips.

COMMUNICATIONS TO THE CONGREGATION

Communicate to the congregation through different methods they can serve in the community and into the world. Suggest speakers to talk to the congregation during Worship.

FINANCIAL SUPPORT

Listen to those that are seeking financial support of programs within the community and into the world.
Listen to reports from those that are already being supported.

BUDGET

Set budgets each year by prayerfully determining how each program and trip moves to support the mission of Hillside UMC. Make available budget information to the congregation as requested. Insure that all money given to Missions and Outreach is used as requested.

NEW MISSION AND OUTREACH

Listen to those seeking to begin a new mission trip or outreach and prayerfully discern how God wants Hillside UMC to support the ministry.

MISSION AND OUTREACH OFFERING

Plan and prepare for the offering by using announcements, displays, bulletins, skits, etc. to help the congregation know how the missions of the church are supported.
