

Sunday Sermon Discussion Questions

1. Inheritance is what is both left to us and given to us, talk with you group about how inheritance works in today's society verses biblical times.
2. God offers an inheritance to anyone who will "opt in". What does that mean and how is that different from your understanding of inheritance?
3. How has technology made it hard for us to disconnect from negativity? Share your experience with your group.
4. How is God's perspective on our relationship with Him different from the way that we engage in relationships?
