

MOB Meeting Notes from June 18, 2020 Meeting

Attendees: Christy Good, Virginia Elder, Sam Johnson, Brian Cartwright, Andy Triplett, Linda Wilson, Chrissie Johnston and Cathy Cash

Budget Update

Balance showing from Feb 2020 – San Lorenzo trip – Linda Wilson asked if \$1000 could be used for the deposit for the Feb. 2021 trip which was approved. Deposit would not be made until October. It is understood that if trip did not happen that deposit would be lost and could not be carried over. \$703 showing as Videographer under Mission trips has been reallocated to New Mission Endeavors. As the church unfreezes funds other ministries on the list will be allocated their designated distributions.

Church Opening Update

It was asked if anyone had any questions about the reopening. More spots are available for Modern than for Traditional.

Summer Lunch Update

Distribution does not look like it has in the past, but Christy feels that now that they have hooked up with Forever Fed that they are indeed reaching more children than they have in the past and that it is being well received. She is excited about July 1 when Chick-fil-A will feed both the children and the parents that day! All in all, it has been a very good experience even though the number of people who would like to volunteer have not been able to be involved. Tobias who has delivered the lunches from MUST has asked for prayers for Peace!

Emmanuel MT Update

Trip is still planned although we don't know what it will look like yet. Anyone interested MUST get the travel insurance in case the trip is cancelled because the country is not open yet and at this time there would be a 14-day quarantine coming back into the US.

Mission & Outreach Dreaming/Ideas for serving.....

Check out Hillside UMC/serve for ideas. Sam suggested sending cards and love to our Police, Fire and EMT's (1st Responders). They need it now more than ever. He is going to get us some contact information on who and where we can send those. Looking forward we will start inviting out missionaries to our meetings via ZOOM so they can join us when they can.

Next Meeting July 16, we will know better by then what the plan is for the new school year.
