March 5, 2021

Dear Families,

As we continue to work out the details with the Cherokee County Health Department to reserve and provide vaccines to our staff members, we are able to share some scheduling adjustments that will need to happen next week.

Hillside Preschool & Academy will be CLOSING EARLY on Wednesday, March 10th. We will need to close that day at 12:30p.m. Afternoon carpool will begin at 12:25p.m. Enrichment will also be closed on Wednesday. Please make arrangements for all children to be picked up by 12:30 on Wednesday, March 10th.

Hillside Preschool & Academy will also be CLOSED FOR IN-PERSON INSTRUCTION on Thursday, March 11th and Friday, March 12th. This will allow all of our staff members who wish to be vaccinated to safely receive their vaccine.

Again, we can’t thank you enough for partnering with us as we have worked through all of the challenges that we have faced over the past year. We are incredibly thankful to have been able to keep our school building open for face to face instruction since school began in August. We understand that school closures are inconvenient for our families. Thank you for your understanding and for all that you have done this year to help us ensure the health and safety of our students and staff.

Joyfully His,

Amanda Carver (Director) & Amy Mohrmann (Assistant Director)
