

Hillside Youth

Scholarship Request Form

Dear Parents and Students,

Our Youth Ministry is all about providing events and activities that will draw youth into a deeper relationship with Jesus, and for that reason we hate to have anyone miss them, especially due to finances! If you are in financial need at this time we would love to work with you and your child in providing for them spiritually! (Nothing is more important)

Realizing that we have limited funds for scholarships, we need to know what your need is and how much you can provide toward the cost. We will then do our best to divide our resources as best we can with those who are in need. 😊

Payment schedule that you prefer

(the first payment should be at the beginning of the reservation process so that we can hold your spot)

Notes or comments:

As a Parent I understand that:

After the final payment deadline the Youth Ministry is required to pay the entire cost of that camp whether my child attends or not. Therefore by signing this request, I understand that anything I pay toward the cost of a camp or retreat is non-refundable and that my child is committed to attending.
