*The important thing is Faith,
the kind of faith that works through Love*

Galatians 5:6

We have had a good response to Blanket Month in March

The Bakeless Bake Sale has been a success and we thank all of you for your generosity.

A check has been delivered to Renee's Closet on the Beach. The canned goods collected went to Beach Baptist Church for their Food Pantry.

We thank everyone that donated Lilies for Easter.

If you know anyone that needs a "Hug", please remember to contact Carol Look for a Prayer Shawl.

Please check the webpage for WELCA and other information about "Happenings" at church.

Coming up in May we will be supporting Immokalee Friendship House. It has been a very difficult year for them during this pandemic. Please keep them in your prayers.

Safe travels to all returning north. Please be safe. Thank you for your support for our projects.

Blessings, Diane Allen
