

# Bring a Jar of PEANUT BUTTER and/or Jelly to Church!

---

We can help feed hungry families for many meals  
– with PEANUT BUTTER (and JELLY)!

Many children at the farm worker camps in our area don't have everyday items that our own children take for granted. A very real need which we can provide is Peanut Butter – a wonderful source of nourishment and protein that can sustain a whole family for many meals. And of course, Jelly just goes with Peanut Butter.

Our St. Peter Women of the ELCA (WELCA) ask for your help to share the love of Christ with local farmworker families by bringing in jars of Peanut Butter and/or Jelly.

***Please BRING JARS of PEANUT BUTTER  
and/or JELLY by Sunday November 29<sup>th</sup>***

***16 oz. or smaller jars are appreciated***

Smaller jars make it easier to distribute more generously.
